

INAUGURAL CEREMONY
OF
CAPACITY BUILDING CENTRE
AT
PARUL UNIVERSITY

The project CABGIN was an initiative of Erasmus + co funded by European Union. The mission was to increase the standards of education in Indian higher education institutions. This mission was very well accomplished within the two years and the fruitful outcome of the same was established on 2nd of July 2019 – Capacity Building Centre.

This Centre is established for facilitating the educators for uprising their standards in higher education. It would be catering the professional developmental needs of the educators. Being on the developing stage the trainers who have been successfully trained in the TTT(Train the trainer) module of CABGIN would be developing the course according to the need analysis of the University faculty members but the centre is not going to limit here, in the progressive years the centre is going to implement need based modules for the higher education institutions of the society.

This astounding step of the formation of CBC was only possible with the support and far sightedness of the visionary Dr. Devanshu Patel president of Parul University – the thrust force behind motivating the faculty members to be open to learn and implement new interactive technologies and teaching learning methodologies.

We admire Educators and so on this auspicious occasion we had invited Guest of Honor Prof. Pradyumna Joshi who was a former Professor from Education Department of Maharaja Sayajirao University of Baroda, Vadodara. The eminent personality Prof. Ramesh G. Kothari Former Vice Chancellor Veer Narmad South Gujarat University, he was also former Dean Faculty of Education and Psychology, Maharaja Sayajirao University of Baroda, Vadodara was been invited as our Chief Guest for the function. The special guest for the event was Dr. Kamila Ludwikowska the founder and Chief Project Co ordinator of CABGIN who had come all the way from Worclaw University of Poland to inaugurate the event and to guide us all with her immense experience in the field.

On the onset of the event we started by spreading the gleam of knowledge through lamp lighting and melodious Sarswati Vandana . Flowers are made to spread happiness but the event truly required the spread the wisdom thus the invited guest were welcomed by presenting a book by the hands of Dr. M.N.Patel Provost of Parul University , Dr. Unnati Joshi Dean Faculty of Engineering and Dr. Falguni Acharya Head Capacity Building Centre.

The Introductory speech was been given by Dr. Pallavi Khedkar . The project was an enlightening journey and to give a glimpse of it Dr. Suhasini Kulkarni was invited. The Honorable Provost gave his speech from the desk of management which was followed by an informative speech of Dr. Kamila Ludwikowaska Project Co ordinator CABGIN she assured a friendly gesture by being a guide in accomplishing our mission of CBC. The vision and mission of the newly established centre was been vividly explained by Dr. Falguni Acharya Head CBC. The invited guest of Honor and Chief Guest presented their brief speech on the occasion. The felicitation program of the trainees who were been trained throughout during the tenure of CABGIN was organized further and then the Inaugural and ribbon cutting ceremony was performed at the CBC centre. The actual working of CBC centre along with the details of the configuration of the computer lab was been explained by Prof. Harshal Shah. The manual of CBC which was been designed was thus unveiled by the hands of the dignitaries which followed by vote of thanks from Prof. Trilok Akhani.
